Your daily routine in the school app

Schedule Overview → Manage Session → Save

1. Open My Schedule (School dashboard → My Schedule Overview)
2. Set Anchor Date, choose period (Daily / Weekly / …), click Load
3. Click a session row → Manage Session
4. Complete Attendance, Session & notes, Curriculum (and other sections you see)
5. Set Session status to Completed, then Save session
6. Return to Schedule Overview and confirm the row shows {completed}

Problems? Check Anchor Date and Load first. Contact your school office if status or Save is blocked.
